Dear Parents,

Welcome to Radiant Kidz Zone! You and your family are very important to us! We believe that you are your child's first and most important teacher. We would like to join with you in a partnership to help your child develop a love of learning. I'm excited that you are interested in our preschool - I truly believe that it is the best quality experience your child can get anywhere.

The mission of Radiant Kidz Zone is to provide a faith-based environment to equip each child with the knowledge, skills and values to be a successful learner. Radiant Kidz Zone features highly trained staff, advanced curriculum set in a faith-based surrounding, floor to ceiling interactive murals, online video monitoring system... I could go on forever!

Every parent knows how important it is to make smart choices about their child's education, especially while they're young. Radiant Kidz Zone is dedicated to helping each child down the path to a successful education. We focus on every aspect of their development - social, academic, and physical. Play is the fundamental vehicle through which children learn and construct their own understanding about the world around them. Every day they'll learn important skills while having tons of fun!

If you haven't taken a tour of the preschool yet, this is my personal invitation to come check us out. Our trained staff will be here to answer every question you might have. And bring your child with you - they'll be just as excited as you!

I look forward to seeing you soon -
