Up Dates

The RKZ staff is beginning an exciting project - our study process to become accredited by NAEYC (The National Association for the Education of Young Children). This is a great opportunity to strengthen our knowledge of the best approaches to high-quality early childhood education. During this exciting process we will be inviting each parent to participate through a survey process. Stay tuned for details!

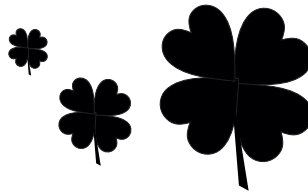

March is classroom conference month at RKZ. Please watch for sign up times in your child's classroom. This will be a great time to hear from your child's teacher!

NOTE FROM THE DIRECTOR:

Spring is in the air! There is just something special about Spring time. The new buds on the trees, the blooming flowers, the fresh sunny air... it's a fresh start and a new beginning! The future is full of great promise for the families and children at RKZ! As parents, it is so comforting to know that Jesus died for us and then rose up to give us strength and hope. Praise God! Looking forward, we have such wonderful opportunities to share our blessings with each person we come in contact with each day. Enjoy your children this Spring and always. They are truly a blessing from God and we thank you for sharing them with us each day. Happy Easter!

Many Blessings,

Linda Owens Center Director

Also, when bringing in your child's sunscreen please make sure to label the bottle with your child's complete first and last name. Stop by the office if you have questions.
