NOTE FROM THE DIRECTOR:

June is the month we honor DAD. What would we do without him? He fixes our broken toys, he gets all of the monsters out of our room before bed, and he is the best football thrower in the whole world. No one is stronger than DAD! Our children look up to their fathers as a role model. What a responsibility. It is so comforting to know that as a strong, loving dad you can look to your role model, our Heavenly Father who loves and supports you! Thank you for all you do for your family.

HAPPY FATHER'S DAY,
Linda Owens

WATER PLAY DAY IS EVERY TUESDAY BEGINNING JUNE 3rd

Each age group will be assigned a time to play outside with water fun! We are asking you to send your child to school each Tuesday with his/her bathing suit under their clothes. Each child MUST have water shoes in order to play out doors and each child must have a towel. After water play we will help the children dress back into their clothes. We must have a complete change of clothes including shoes and socks for your child to change into after water play.

Please see your child's teacher if you have any questions about our exciting water play days, and...please remember sun screen!

Important Dates in June:

- June 2: Summer Program Begins
- June 3: First Water Play Day
- June 12: Father's Day Sports Extravaganza and Lunch
