Up Dates

Center-wide Parent/Teacher Conferences will take place from October 20th to November 14th. Your child's teacher will let you know when conferences will take place in your child's classroom. Once the times and dates are posted in the classroom please see your child's teacher if you need to make other arrangements to meet. We realize the importance of these meetings and will make every effort to accommodate you and your family. Thanks.

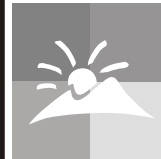

NOTE FROM THE DIRECTOR:

It is a breath of fresh air that Fall is officially here! We are so excited to be talking about fall leaves, cooler days and parent/teacher conferences. At Radiant Kidz Zone the teachers are excited to meet with each of you and share their observations of all the important work that is accomplished each day by your child. Allowing your child to participate in a program that incorporates faith, fun and learning helps them to develop a strong awareness of self while building confidence for the next steps in their academic and social journeys. As a professional in the early childhood education field, I realize the importance and value of building friendships while learning in a faith based environment. I am here to support the children, the teachers and you as we move forward. Thanks for choosing RKZ!! We are privileged to share our day with the best children and families ever...

Blessings,

Linda Owens
Center Director
