Radiant Kidz Zone

CHRISTIAN PRESCHOOL
and CHILDCARE

NOTE FROM THE DIRECTOR

Spring is here and in the air. Spring means being outdoors, jumping high, enjoying the weather, buds swelling into flowers and animals coming out of their hibernation. Here are some activities you can do indoors or outdoors:

Have fun and enjoy this time with your children!

Tami Warren
Interim Director

CARROT-TOPS! Cut the tops (large ends) of carrots off-about one inch. Put the flat side into a small bowl of water, filled to $\frac{1}{4}$ inch level. Watch! In one or two weeks, you'll see greenery shooting from the tops.

SING SPRING SONGS such as "Michael Row the Boat Ashore"; "Eensy Weensy Spider"; "Here We Go Round the Mulberry Bush"; "Skip to My Lou"; "A-Tisket, A-Tasket" and any others you think of.

CREATE A GARDEN by planting bulbs. Go outside with pencil and paper. Record every small animal or insect you see and the place where you saw each one. What was each creature doing when you spotted it? Did you scare it away, or did it stay around and allow you to watch it?

IMPORTANT DATES

APRIL 8TH AND 9TH
Easter egg hunt

APRIL 10TH
RKZ is closed for Good Friday

APRIL 13TH
PEC has no school
RKZ will be able to provide childcare for school-age children.

Three year old promotions

MAY 14TH
Four year old Graduation

REMINDERS

Please remember to apply sun screen on your child every morning. Weather is warming up and the children are spending more time outdoors! If you would like to fill out a permission slip for sunscreen, please stop by the office or ask your child's teacher. We will be happy to give that to you.

Summer is quickly approaching and we have some great summer programs available! Stop by the office and check it out!!
